072-8489854

NO 60, Sudarshana Road,
Srawasthipura, Anuradhapura.

EDUCATIONAL AND PROFESSIONAL

Major in Bachelor of Health Science Honours in Biomedical technology
Laboratory & Research Components

- Biomedical Engineering Laboratory
- Electronics & Instrumentation Lab

Engineering & Technical Foundations

- Circuit Theory and Electronics
- Analog & Digital Electronics
- Control Systems
- Microprocessors & Embedded Systems

English language skills

- Completed university-level English for Academic Purposes (EAP) course
- Demonstrated proficiency in academic writing and technical report preparation
- Delivered effective oral presentations and seminars in English
- Strong skills in professional email writing and documentation

1. Project Management

2. Public Relations

3. Teamwork

4. Time Management

5. Leadership

6. Effective Communication

7. Critical Thinking

SKILLS

- .Tissue Engineering
- .Automation and Robotics
- .Bio Medical Image Processing
- .Web Designing and Hosting
- .Database management
- .Electronics

ACADEMIC JOURNEY

2023

NOW

*undergraduate in bachelor of Health Science Honours
in Biomedical technology*

- The Bachelor of Health Science (Honours) in Biomedical Technology (BHSc Hons in BT) is a degree program that creates an invaluable pathway, which arms its graduates with a combination of key theoretical and practical skills to work in the biomedical technology field. The degree programme introduces the aspects of Physics of Instrumentation, Biology, Medicine, Mathematics, Engineering Statistics, Medical Sciences, Information Technology, Medical Instrumentation, Biomechanics, and International Regulatory Standards

2019

BIO systems technology

2022

Technology Stream

- GCE AL Examination faced at Anuradhapura Walisinghe Harishchandra College

BIO SYSTEM TECHNOLOGY -A
SCIENCE FOR TECHNOLOGY -B
INFORMATION AND COMMUNICATION TECHNOLOGY -C
{z-score- 1.4382}
